

On the heels of a scheduling conflict that caused the much anticipated RPM Magazine Smackdown3 to be postponed, Toronto Motorsports Park and Ian Hill Racing Productions are proud to announce the reschedule of the event - RPM Magazine Smackdown3-Take2, for August 24, 2019.

"We worked closely with the management of TMP to find a date within the schedule that would work for all parties, including the racers. With the tight August schedules of both TMP and IHR Productions we felt that adding the Smackdown into a weekend that was already on one of our TMP scheduled weekends would work for all parties" - Ian Hill.

TMP along with Ian Hill Racing Productions would like to offer our sincerest apologies to all the partners, advertisers, sponsors, racers and spectators that were affected by the decision to postpone the event. We recognize the inconvenience of our customers having to change your plans with family or work, the loss of reserved equipment and expenses to attend one our 2019 premier races. We hope that after this last week, the efforts put out by TMP and IHR Productions; working together to come to terms and create a solution allowing us to move forward together to create a stronger bond, will build a better future for our events as we move into the last half of the season together!

IHR Productions, with the support of TMP, look forward to bringing you the following scheduled races and events:
