

Toronto Motorsports Park is pleased to announce an exciting event series in co-operation with new and current partners. This series pays homage to the decades old tradition of street legal style drag racing at TMP, while looking to the future for both racers and fans alike. Building on the very successful OSO (Ontario Street Outlaw) series which has run at TMP over the last four seasons, TMP and Paul Norris (OSO) have joined forces to bring more excitement and an entirely new outlook to what has been showcased in the past. In addition to OSO's original classes; List Racing, Big Tire and Small Tire Shootouts, Outlaw Recruits, FWD and Unlimited and Bike Class, the following classes have now been added to every race; Super Street, EZ Street, Outlaw 235, Outlaw 275/28, Open Comp and Pro Comp paying tribute to some of the most popular OSCA (Ontario Street Car Association) classes of the past. For the 2020 season all these events will be two days, providing lots of action-packed racing for everyone from beginners to professionals.

**MAY 23-24**  
**JUNE 20-21**  
**AUGUST 22-23**  
**SEPTEMBER 12-13**

Sponsors have already jumped on board with commitments to this new series, and all partners involved are passionate about bringing Canadian Street Legal Style Racing to an entirely new and higher level at TMP. It is now well known that the TMP track prep is second to none, so we are looking forward to some record breaking racing in 2020.

More information will be released in the weeks to come.
